Reading for Pleasure

- Story time at the end of each day for 15 minutes
- Reading Area in the classroom
- School Library
- Reading incentives
- Role play

Pie Corbett Year 1 Reading Spine

"The picture books in Year 1 offer deeper exploration of emotions and wonder. They are mainly rooted in the everyday crises of life. Again, most of these books lend themselves to setting up a variety of play situations – using toys, costumes and puppets – but the children also need to be involved in careful reading of the books, paying close attention to the detail and entering imagined worlds to experience the stories deeply – then talking it all through."
– **Pie Corbett**
